ISSUE

MERCON® Automatic Transmission Fluid is being replaced by MERCON® V as a service fluid.

ACTION

Beginning immediately all automatic transmission/transaxle applications requiring MERCON® can now be serviced using MERCON® V or MERCON® Automatic Transmission Fluid or dual usage fluids labeled MERCON® / MERCON® V.

After July 1, 2007, MERCON® Automatic Transmission Fluid will no longer be manufactured, therefore, availability of this fluid will only continue for however long it takes to deplete what remains in inventory.

**Automatic Transmissions/
Transaxles that require
MERCON® V should still
only use MERCON® V or
dual usage fluid labeled
MERCON® / MERCON® V**
